

ARTA notes for April 2015 EPTA meeting

Update from January 2015 through April 2015

- Volunteers are scheduled to install 2 memorial benches on the May 7th. These benches will be located between Phillipston and East Brady.
- A new plan has been developed and approved for the Phillipston Trail Turntable rehab project. Costs for misc. materials were approved at the April board meeting.
- Phase 2 of the Coaling Tower project was also approved along with minimal costs to improve the surface in the surrounding area.
- Penn Dot approved the application for 2 TODS signs on route 68 at East Brady. Installation should occur within the next month.
- Several events are being planned for 2015
 - April 18 – Keep PA Beautiful cleanup Rosston through Kittanning
 - May 16 - 4th Annual Eat, Play, Ride
 - June 27 – 10 K Race
 - Fall 2015 – Grand opening of project Mile 61-66, 100 year anniversary of the Brady Tunnel
 - September (exact date and location TBD) – Annual Members Fall Ride
- An RFP is being prepared to solicit quotes to revise the trail map and guide. Sponsorship and ads will be sought.
- ARTA is working with RVTA to develop and adopt business signage standards.
- ARTA will participate in the Annual Day of Giving on May 14.
- Ron Steffey will do a presentation on the Brady Tunnel and Phillipston Campground studies at the May ARTA board meeting.
