

Web Site Report 22 Apr 2015

The following updates have been made to the Erie to Pittsburgh web site

- 1) Added a Media Mention page. At present it contains 10 pointers to newspaper articles that have mentioned the Erie to Pittsburgh Trail. For each article there is a two or three line extract from the article, a pointer to the article, and the date.

- 2) Added a page pointing to the Trail Town 2015 Business Survey.
- 3) Added an RSS feed button to the menu line and created an RSS feed item for the changes over the past month. One can use this to be notified when a change happens on the site.
