- **NW Passages E-Magazine Articles** – As a partner, of the NW Passages E-Magazine we are given space in each monthly issue for an article on the EPT or EPTA. It has been decided to share this opportunity with trail owners/managers, which may or may not be members of the EPTA BOD. In order to provide advance notice as to when an article is due from each organization a schedule was prepared, as well as some general guidelines for articles and issued via email on July 1, 2015 to EPTA Board of Directors, and non-board member trail managers and /or owners. The Secretary and President will review all articles, and the preparer of the article will be notified if edits are requested. If you do not wish to prepare an article for the monthly publication, please let the EPTA Secretary know as soon as possible, so another organization or individual can be provided the opportunity.
