

UPCOMING FUNDING AND EDUCATIONAL OPPORTUNITIES

Trail Volunteer Fund

The Trail Volunteer Fund provides grants to purchase tools, materials, and supplies to be used by [volunteer trail projects](#) that create, maintain, or enhance the network of trails suitable for bicycle touring in western Pennsylvania and interconnected trails in nearby areas. In this way, the Fund celebrates and encourages the volunteers whose work has made such valuable contributions to western Pennsylvania's growing network of motor-free trails. The application process is simple, and there are four deadlines for applications per year - March 1, June 1, September 1 and December 1. More information on this opportunity is available at <http://they-working.org>
