Oil Region Alliance Update Report
For the Erie to Pittsburgh Trail Alliance Meeting; April 20, 2016

McClintock Trail - A request for quotes to clean ditches was issued earlier in April. The work will be done in the next six weeks.

Oil Creek Memorial Landing – Phase II (final) is still planned for the construction season of 2016, which will include the grassy access area to Oil Creek, landscaping, kiosk and stairs to the adjacent business and some memorial features.

Recreational Trails in the Oil Region Map/Guide – The supply of guide/maps printed in 2013 by the Allegheny Valley Trails Association has been depleted. ORA and AVTA has partnered to update and reprint the guide/map; the new supply of 25,000 will be ready for distribution in late May early June.
