July, 2020

Dear Potential Member of the Council on Greenways and Trails (CGT):

Everyone will agree that 2020 has already become one of the most challenging years for families, communities, municipalities, businesses, and nonprofit organizations alike in regards to so many facets of life and service. We hope you and yours are managing to balance good healthy practices with the essentials of fulfilling daily responsibilities and projects.

The Council on Greenways and Trails similarly has relied on its volunteers, contractors, event sponsors, and partners to conduct its major activities so far this year, while continuing to advocate for greenways and trails in Clarion, Crawford, and Venango Counties. The Fifth Annual Nature Art Showcase and Sale held in February 2020 in conjunction with the Penn Soil RC&D Council and the Barrow-Civic Theatre achieved its highest numbers of participating artists, volume of art items displayed and sold, gross sales revenue, and excellent numbers of attendees and sponsors.

After wrapping up the Nature Art Showcase, we ordinarily shift to CGT membership recruitment. But we delayed until now sending you this most sincere invitation to open your organization's annual membership at the discounted rate of just \$100 to cover all of 2020. A membership application is renewed.

Looking ahead, CGT is poised to announce the outstanding recipients of its 2020 Greenways Awards as well as the September Award Ceremony details. They'll also be posted at [www.nwpagreenways.org](http://www.nwpagreenways.org), along with photos about the recognized people/projects and other news from CGT member entities.

You've surely noticed the significant upswing in the usage of the area's recreational trails and outdoor facilities this year. The renewals of spirit which families and friends experience during such activities demonstrate the substantial value of planning for and assisting in the development, conservation, and maintenance of Clarion, Crawford, and Venango County's recreational resources.

Please initiate your CGT membership now. With suggestions or questions, please contact any of the following officers of this volunteer organization. Be well!

Sincerely,
